

Dear Schools

Holiday Mountain Snow School would like to invite your school to participate in our School Program for **Grades 4-12** this 2025-2026 winter season. The program consists of a full package deal or if students have their own equipment, they are welcome to bring for the day.

Please find attached the Grade 4-12 School Program Package for review and how the program works here at Holiday Mountain.

A short overview of our program is as follows, on arrival your group will be greeted and directed at the Day Lodge by a Snow School member. Once in the Day Lodge your group will be given a short overview of the day and a safety talk by our Snow School Team. Holiday Mountain asks the entire group to arrive together, so everyone receives the same information. The students/teachers/chaperones will receive their lift tickets and lesson information in the Day Lodge before heading to the Rental Shop to be fitted for their equipment.

**Snowsport Helmets are mandatory for ALL Students**

**(No Hockey or Bicycle helmets)**

Once fitted, students who received a Lesson card must meet promptly at 10:00am in front of the Day Lodge at the Snow School sign, this is the beginner lesson from 10:00am to 11:30am. Students who receive a Green/Blue/Orange/Black sticker on their lift ticket can go and ski or snowboard until their lesson at 12:30pm meeting in front of the Main Lodge.

Our goal is for students to enjoy the day on the slopes while learning new skills or advancing their current skills. We look forward to your school participating in our School Program at Holiday Mountain.

**See you on the Slopes!**
